- 31500 - Retractable Ratchet Straps with Pro Rack Mount Brackets - 1" W x 6' L - Pair

## THE PRO RACK DIFFERENCE

Serious tradesmen use substantial tools. Holman racks are the top choice because they work hard and look great!

### New Features

- Optional forklift loadable side rails to allow for safer and more efficient loading of the rack.
- Swing-out rear crossbar designed to ease the loading process
- More fitment options to fit every truck configuration including short bed and crew cab applications
- Adjustable front leg mounting to fit more vehicle applications with a single rack
- Improved foot mounting that reduces horizontal deflection and creates a stronger rack
- Easy entry grab handles mounted low on the rear for added support
- Wind deflector now included as standard
