## Summary Of Recommendations

There are several important opportunities and tools available to help you understand, assess, and act on driver behavior:

### TECHNOLOGY

Better manage your fleet with actionable insights and analytics

### DRIVER SERVICES

Maximize driver potential

### COMMERCIAL INSURANCE

Protect your drivers and business

### OTHER OPPORTUNITIES TO BETTER MANAGE YOUR SUPPLY CHAIN:

- Vehicle Management
- Business Management
- Remarketing
- Racks & Equipment
- Electrification
- Vehicle Acquisition & Leasing

TECHNOLOGY

## Gain Full Visibility Into Driver Behavior

Holman not only offers technology solutions like our insights and analytics platform to help you understand everything going on in your fleet, but we also offer a Driver insights app to increase productivity and decrease driver administrative load. All of our technology solutions integrate, so your fleet team can better manage driver spend and safety measures.

COMMERCIAL INSURANCE

## Protect Your Most Valuable Asset—Your Drivers

With large fleets, knowing what kind of coverage you need, and how much, can be a challenge. We listen to your unique business needs and concerns and help you build a plan that works for your business so you and your drivers can operate with peace of mind and know that you're never paying for more coverage than you need.
